Subject: Notice of Closure of File, Zadok Ventures LLC., West Desert Mine, S/023/0112, Juab County, Utah

Dear Messrs. Sanders and Lewis:

In a letter dated December 3, 2013, the Bureau of Land Management stated that the notice for the Desert Mountain project was rejected and the pending plan of operations closed (UTU-89546).

The Division of Oil, Gas and Mining is likewise closing its file for this project. The Division never found the Notice of Intention to Commence Small Mining Operations (Notice) complete, did not receive a reclamation surety, and has not received the permit fee for 2015.

If you wish to conduct operations at this site, please file a new Notice with the Division and complete necessary permitting steps with the BLM.

Please call Wayne Western at 801-538-5263 if you have questions about this letter.

Sincerely,

Paul Baker
Minerals Program Manager
